Dear Doctor **Smith**,

Paperwork.

As a GP, I'm sure you're fed up to the back teeth with it.

Don't worry – you're not alone:

50% of departing GPs recently surveyed by NHS England, cited the ever-growing admin avalanche as their reason for leaving.

Does this strike a chord with you? Do you want to leave the paperwork behind and get on with what you became a doctor for – helping patients?

This is why I'm writing to you. I can offer you a hands-on primary care role that eliminates the endless form-filling and box ticking, while retaining GP pay and benefits.

Let me explain:

There are vacancies available at the at East Berkshire Primary Care out-of-hours service, where I'm Chief Executive.

Because it's an out-of-hours service, you don't deal with *any* referrals - taking a mass of paperwork off your hands.

That's because I don't want you filling in forms – I want you helping patients - so my admin team deal with pretty much all your paperwork.

Some more reasons for working with us:

- An annual, NHS pensionable, full-time salary of £105,000
- Six days study leave and six weeks holiday
- A minimum of 20 hours and a *maximum* of 37.5 hours as a salaried GP. (Pay and leave is pro rata for part-time staff)
- All medical indemnity and GMC membership costs reimbursed

Also, our doctors tell us they love the work/life balance this role gives them. We want the job to fit into your life, not the other way around. At the start of each week, we ask you the hours you want to work - then draw up your diary accordingly.

What's more, you can choose the type of work you do. We offer the following options:

Please turn over...

Primary Care Centre – Face-to-face consultations through our PCCs in Slough, Bracknell, Maidenhead and Richmond.

Advice Phone Line – From your home or one of our PCCs – it's up to you.

Home Visits - We give you a driver, a car and a laptop. Each car has resuscitation kits, oxygen, drug cabinets and panic alarms.

Urgent Care Centre – You choose from daytime sessions at Wexham Park Hospital UCC, Slough, or ad hoc sessions at St Mark's Hospital, Maidenhead.

This is your chance to leave the slog of your surgery - and all that paperwork - behind.

Simply contact my colleague, Denise Spiller, to find out more:

- Call her direct line – **xxxxxx**
- Email her – **xxxxxx**

Please don't delay – we only have a limited number of vacancies and I don't know when we will recruit again.

Yours sincerely,

Patrick Rogan

Chief Executive, East Berkshire Primary Care Out of Hours Services
